You do not need any experience, connections, or a college degree to benefit from this event! All you need is a dynamic mindset, to be open to new and unconventional ideas, and have a willingness to be coached. Attend only if you're ready to make serious improvements in your preaching, speaking, teaching, and writing results.

This workshop is powerful. A workshop unlike any workshop, seminar, or Boot Camp you have ever had the opportunity to experience. You won't walk out on "helpless overload" because you will be working on your own talks and projects while you are there.
