BIRDING 101

Friday, June 14, 2024

Lake Katherine Nature Center & Botanic Gardens

7402 Lake Katherine Drive, Palos Heights, IL 60463

\$15 per person

Level of physical activity: Very Moderate

Join us in a presentation about Chicagoland birds and learn techniques for spotting them in the wild. Then, test your knowledge on a walk around the bird feeders and gardens looking for resident summer birds, become more familiar with how to use binoculars, and even incorporate some birding technology (i.e. iNaturalist and Merlin Bird App)!

**Bring binoculars or use one
from a limited supply
provided by Lake Katherine**

**Register at the March 6 Open
House or www.trnty.edu/salt**

Register by June 7
